# Welcome Camping Arosa

## Location

The park-like campsite Weierhof lies nestled among majestic peaks on 1750m above sea level. A picturesque mountain creek passes right through the site. Enjoy your stay in this idyllic spot surrounded by forest and Alpine flora. The camp ground features mainly forest and natural grass, including a few areas with some gravel and roots in the woods. Some sections are slightly ascending.

## A unique experience during the winter and the summer season

The campsite is located only 10 minutes from the village centre and a few metres from the lido at the Untersee lake. During the winter season the ski slope finishes right in front of the campsite (Heimfahrtspiste "return home slope"). We offer space for up to 20 caravans/RVs. Guests with tents are also very welcome – our lawn area is sufficiently large.

## Facilities

We provide a central sanitary building with separate showers and restrooms as well as a common area with a double kitchen. Enjoy the fantastic mountain scenery on our sun terrace with a BBQ station. We offer free electricity and WLAN (at the camp house) for every pitch. Washing machine and dryer are available for a small extra fee.

## Check-in/check-out

Guests can arrive and depart at any time on the campsite. There are no access gates or fixed check-in/check-out times. Simply fill out the registration form, chose your pitch, setup, connect to the power supply and start your dream holiday.

## Reservations

The campsite is not parceled. We ask for your understanding that we can not accept reservations.
